Lidura Noblin

FRONT-END WEB DEVELOPER

Milwaukee, Wi | 414-394-4796 | LiduraNoblin@gmail.com | DuraProjects (Lidura) · GitHub | Portfolio: Portfolio|Lidura

Objective

Motivated front-end web development student seeking an internship to apply skills in HTML, CSS, JavaScript, jQuery and responsive design while gaining practical experience in a professional environment.

Projects

Timeless Treasures | HTML & CSS Class Final Project

This was my final project for school. It is a website for a mock jewelry store named Timeless Treasures.

- HTML5
- CSS3
- Responsive Design
- Link: Timeless Treasures| Jewelry | Engagement Rings | Wedding Rings | Jewelry Repairs, and more

Paws & Hearts | JavaScript & jQuery Class Final Project

This was my final project for my JavaScript and jQuery class. It is a website for a mock animal shelter named Paws & Hearts.

- HTML5
- CSS3
- JavaScript
- jQuery
- Link: Paws & Hearts Animal Shelter
